

The background features a series of concentric circles in light gray, some solid and some dashed, creating a ripple effect. A large red speech bubble is centered on the page, containing the text.

# Homelearning in Go4schools

## Part 1 – signing into Go4schools

# Important changes

## Why are we changing how we set homelearning?

- Staff emails are changing to be [Initial.Surname@PHS.JTMAT.CO.UK](mailto:Initial.Surname@PHS.JTMAT.CO.UK) so our email groups are no longer available to us.
- Your school email address will also change this September.
- We think that Go4schools is a better platform for students to receive homelearning tasks.

Register with  
the website

- Goto [www.Go4schools.com](http://www.Go4schools.com)
- Go to the Parent login option
- If you have done this already to access your child's report you don't need to do it again – you are already set up!

## Welcome to GO 4 Schools

Your school can make better decisions with information that is accurate, up to date, complete, at the right level of detail – and at your fingertips.

GO 4 Schools helps you achieve this. It's the efficient, joined-up, smart way to work.

Find out how we are helping schools:

# Registration procedure

- Click on the 1<sup>st</sup> time user option

GO 4 STUDENTS Student home Login

### Welcome!

This is the GO 4 Schools login page for Students

In order to login, you will need to use the email address that your school holds for you.

If you don't have a password yet, or have forgotten your password, you can request a password reset email using the [First-time User?](#) and [Forgotten your Password?](#) links.

**If you are having problems logging on, please contact your school.**

**Important notice about Microsoft Internet Explorer 11**

GO 4 Schools Student App

If your school uses GO 4 Schools, they can add the GO 4 Schools mobile app to make it even easier for you to see your timetable, homework, behaviour records, attendance, etc. What you will see depends on which GO 4 Schools modules your school has subscribed to. View the [Mobile App - Quick Start Guide](#) for further details.

The GO 4 Schools Student App is free for students to download from the Apple and Android App stores, but you will not be able to log in unless your school has a current GO 4 Schools subscription that includes the App, and they have granted you access. **Your school will let you know if and when they have added the App to the school's subscription.**

The App uses the same login details (email address and password) as this web site.

If you can't log in to this site, you will not be able to log in to the App. If you think you should be able to log in to this website but can't, please contact your school.

Sign in

**First-time User?**  
[Forgotten your Password?](#)

- Type in your school email address

### First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "new password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

New password Cancel

You need to  
register on  
Go4schools as a  
student

- You should then get an email from Go4schools to set a new password.
- The password must have a capital letter, number and symbol and be at least 8 characters in length
- Log into to **desktopsite** for the first time to complete the registration process
- In future you only need to log into the desktop site to access your school reports. (unless you don't have a smartphone or tablet.)

Download the  
Go4schools App  
to your device

- Available from App-store and Google Play on your smartphone or Tablet
- Do this tonight on your Wifi if you haven't got data! Set a reminder on your phone to remind you!

App Store

Google Play

# Homelearning in Go4schools

## Part 2 – Using the app

Log into the app  
using your school  
email address and  
the password you  
have created

**You must  
have done  
part 1 1<sup>st</sup>  
for this to  
work!**

# Timetable

You can access your timetable from the app.

Permanent room changes will always be up to date!

# Homelearning

Click on the homework section link.

# Homework view

Current homelearning tasks will be shown in the ongoing tab

Click on the homelearning task to open the instructions

A guide to how long you should spend on each homelearning task is shown here.

Overdue homelearning will be in the extended tab the day after it was due.

Completed homelearning tasks are in pending (awaiting the teacher to confirm it is completed) and History when the teacher has confirmed it is complete.

## Homelearning tasks detailed view

Once you have done the homelearning task, tick the box to update your records. (You still need to hand your work into your teacher following the instructions)

Instructions will be in this box

Clicking on these links will take you to any linked web pages / quizzes or attachments.

A large red speech bubble graphic with a white outline, containing the text 'Backup Plan!'. The bubble has a tail pointing downwards and to the right. The background of the slide features decorative curved lines in the top-left and bottom-right corners.

## Backup Plan!

You will also get an email for each home learning task you receive.

This will be a backup plan in case you lose your password or in case the app doesn't work on your device.

You can also access the homelearning work through the Go4schools desktop site if you can't download the app.

# Parents

- Parents will also be able to access the information as a parent using the Go4schools app or desktop site.
- The letter to take home (and emailed to them) details these changes.
- Parents won't be sent the email, they have to use Go4schools.
