Dear Parent/ Carer

The immunisation team will be in school on Wednesday 30th June 2021. This will be to carry out the second dose of the HPV vaccination for those year 9 students that received their first dose in year 8. If your child had their first dose in year 8, the team already have consent and no further action is required.

If your child has not yet received their first dose of the HPV vaccine, this can also be carried out on Wednesday 30th June. Please complete a consent form using the following link:
<https://forms.mpft.nhs.uk/>. You will need this code PAUY9HPV1P which identifies your child's school. Please be aware the cut off for this link is 1pm on Tuesday 29th June 2021.

If you are having trouble accessing the on line booking system or experience difficulties using the system, there is a user guide available at <https://www.mpft.nhs.uk/services/school-age-immunisation>. Please note that should you have any queries the school will not be able to answer these, please email school.immunisation@mpft.nhs.uk or call 0300 124 0366.
