

Friday 21st April 2023

Dear Parent / Carer

Teacher Strikes

As promised in my letter yesterday, I am writing with details of year groups affected during the next two scheduled NEU Teacher strike days.

Thursday 27th April – Year 10 and Year 8 students should work from home; all other students in school
Tuesday 2nd May – Year 9 and 7 students should work from home; all other students in school

Mr Gilmour will send an email, at 8.30am, on each day to give students work tasks for the day.

Violet Way Drive

It is with sadness that I must report that a parent, in a car, spoke in a threatening and intimidating manner to a member of staff who was carrying out her duties this morning; I will not tolerate this kind of behaviour at any time. As a reminder... for safeguarding purposes, we close the Violet Way vehicular gate at the following times:

In the morning – 8.20am to 8.30am
In the afternoon – 2.45pm to 3.00pm

I am happy to discuss my reasons for this with any parent / carer should they wish to have a conversation with me.

Household Support Fund

We have been told that the household support fund is open again. It provides food voucher support to struggling families that are not in receipt of any other government support. Please email office@phs.jtmat.co.uk if you would like us to apply for your family. We have so far been able to secure over £9000 to support some of our families. If you have already received support through this scheme, you are able to reapply.

Kind regards,

Ian McArthur
Headteacher.
