### This week at Paulet:

On Monday we were joined by Mr Donoghue, the CEO of the JTMAT, to celebrate the 75<sup>th</sup> birthday of Mrs Brister who has worked at Paulet for 37 years. That is a whole working life dedicated to the young people of Stapenhill. I am sure you will agree that this is a wonderful example of commitment and Paulet Character – Thank you Mrs Brister, here's to many more years!

This week we have been collecting quite a few very expensive water bottles in our 'latest lost property' box. If your child has lost his/her bottle, please ask them to check this box!

Our new laser cutter arrived this week; thank you to our school governors who have allowed us to make this investment. It will allow us to further enhance our projects in Design Technology lessons.
