This week at Paulet:

On Thursday evening we had our annual 'Final Countdown Evening' for Year 11 students. As always, it was wonderfully well attended and all students went away with revision resources and a clear path to their GCSE exams in the summer; thank you to everyone who attended.

Messages from Mr McArthur

1. Please thank you child for acting so sensibly at the temporary traffic lights at the bottom of our Stanton Road Drive. Roadworks have been taking place and the crossing lights were turned off meaning students had no way of crossing safely; we weren't alerted to this by the local council! Thankfully it is all back to normal now.
2. There is a suggestion of some snow towards the end of next week. If we get snow, please keep a close eye on text messages, emails and social media in case of any changes to the day. Please remind your child to wear sensible footwear on the journey to and from school if there is snow on the ground.
