#### Updates and messages from Mr McArthur and this week at Paulet

One major event this week in school... we had our long-awaited Ofsted inspection. Five inspectors spent Tuesday and Wednesday in school talking to many of our students, visiting over 100 lessons, conducting numerous meetings and reading through parent, staff and student surveys. I can't tell you the result until it is published but I will say that I am happy that our school has been judged fairly.

All of the students were exemplary throughout the inspection... as they always are!
