This week at Paulet:

We have had a good second week of term; all of our new Year 7 and Year 12 students have settled in well. Almost all of our students have started with the right attitude of hard work and plenty of effort. Paulet Character has been evident everywhere and with everyone.

Our Year Ahead evenings have been well attended and I urge you to attend if your child’s evening is yet to happen (dates above). As has been outlined at these parent meetings, we have moved to a new ‘information management system’, called BROMCOM, to align with the other JTMAT schools. Parents in Years 8 to 13 are still able to use Go4Schools for some functions and we will be rolling out the new BROMCOM App in the coming weeks – please see information graphic below and please bear with us while we transition. If you would like an update of your child’s praise and behaviour points, then please email office@phs.jtmat.co.uk and mark the email for the attention of your child’s form tutor. In due course, we will put on some ‘getting connected’ evenings for parents.

During this afternoon I celebrated early success of students who have already received three or more Character Cards – well done to all of these students for just doing everything right, the first time and every time.

Have a good weekend,

Ian McArthur
Headteacher

EXCITING NEWS!

We're making it easier than ever for you to stay connected with our school. 🚀 We're in the process of upgrading to a brand new IT system called **Bromcom**! 🛠️

📊 What does this mean for you?

For now, we'll still be using **Go4Schools** for assessment reports and home learning 📖. However, achievements 🏆 and attendance 📅 will be managed through **Bromcom** soon!

👥 What's next?

We'll be rolling out Bromcom (and Go4Schools) for students and parents soon! We're taking the time to get everything just right for you and this is only the beginning! 💬 Stay tuned for more updates!
