This week at Paulet:

I was able to celebrate the success of some of our students this week. We awarded our first batch of 'Golden Ticket' winners to year 11 students who have worked consistently hard and are on track to meet their GCSE target in EVERY subject! We'll award the second batch at Christmas. I was also able to award 'SummerThing Different' certificates and enamel badges to Year 7 students who spent the summer scrapbooking their adventures! Congratulations also goes to Izzy R, Libby O, Sorana C and Summer T in GCSE Spanish who completed the Key Noun Challenge over summer learning 252 important nouns for their GCSE. Well done to the fifteen students who won prizes for their outstanding effort.

Building work update... all of the frame is now in place for the Refectory and the yard extension is ready for the tarmac. Hopefully both will be ready for use by half term.

Punctuality Matters!

Lost Minutes = Lost Learning

Most of our students are punctual in the morning, arriving before 8.27am and are in Tutor Time for 8.30am. Next week, we will be focussing on the small number of students who need help with being on time. Please help us by reminding students about the importance of being on time! Thank you.
