Reminders and key dates		Fortnight beginning 14 th October – Year 11 and 13 trial exams 17 th October – 6 th Form Open Evening Monday 11 th November – Paulet Remembers

This week at Paulet: - What a wonderful week we've had – the extension to the yard is complete, we have been given an imminent start date for the library extension and we had our busiest and best Open Evening ever... photos below! Following requests from parents, I have once again attached our canteen menus and prices to this Post and, at the top, you will now see which menu week it is.

Lost Property... as you can see from this photo, we have already accrued a lot of lost property (all unnamed). If your child has lost something, please ask him/her to check the lost property box... everything turns up in the end!

Have a great weekend everyone,

Ian McArthur
Headteacher

EVERYONE INCLUDED

Open Evening photos – 3rd October 2024

BioCraft competition

From the very big to the very small: BioCraft entries can take inspiration from the smallest parts of the natural world that only a microscope can see: think cell structures, bacterial colonies and microscopic organisms. Entries could instead feature environments or ecosystems. Art could be based around great savannahs, wide-open plains, the deep oceans or immense rainforests and the huge range of diversity contained within them.

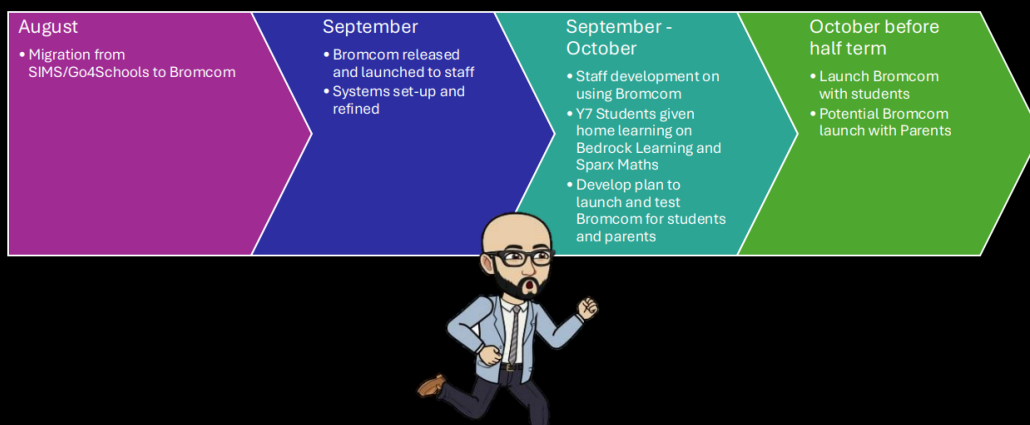

Hands-on science: Lab or field equipment could be the focus of your artwork, with fascinating tools and apparatus being used by scientists to provide ways to make wonderful discoveries.

Scientific concepts: Your art could help explain a biological concept, theory or area of biology that particularly interests you.

Closing date for entries is the 4th November 2024.
Hand into your science teacher.
