#### This week at Paulet

I am becoming increasingly concerned about the small number of students who are persistently late in the mornings. The bell goes at 8.27am and all students should be onsite by 8.30am. We will be reintroducing 'late' detentions next week to try to encourage the persistent few to be more like their successful peers – see poster below!

Well done to year 8 boys who reached the semi-finals of the year 8 district cup with a comprehensive victory over Windsor Park from Uttoxeter. Next Thursday (14<sup>th</sup> November) is the annual district Cross Country meet for year 7 & 8 boys and girls.

Great progress has been made this week on our expansion projects. The curtain wall is going up around the refectory and the roof is being added to the library extension. Fingers crossed, both projects will be complete by Christmas.

Click the link to see what clubs are on next week:

# STOP THE SPREAD OF GERMS

### **CATCH IT**

Cough or sneeze into a clean tissue or into your elbow

#### **BIN IT**

Dispose of your tissue as soon as possible in the nearest bin

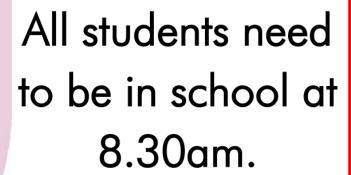

#### KILL IT

Wash your hands for a minimum of **20 seconds** to kill the germs As winter approaches, we are spending more time indoors and this helps the spread of germs! In Tutor Time last week, students explored ways to keep healthy by using good hand hygiene. Please promote this at home too!

If your child is ill and not going to be in school, please let us know as soon as possible. You can email attendance@phs.jtmat.co.uk or leave a message on 01283 247900 (press 1).

From Monday 18<sup>th</sup> November, for every minute students are late to school in the morning, after 8.30am, they will have a same day break time detention for that number of minutes.

If you need support with getting your child to school in the mornings, please let us know.
Email attendance@phs.jtmat.co.uk
