This week at Paulet

Year 11 Lesson 6 – COMPULSORY

Parents of year 11 students please support us in ensuring your child, unless there is a very good reason, attends the extra lessons being planned and delivered between now and the summer exams. Our students are up against all year 11 students nationwide including many whose families are lucky enough to be able to afford extra tuition on the run up to exams. These extra lessons are our way to try to mitigate for this and give our students the best possible preparation. Research shows that grades can shift, UPWARDS, with even a small number of additional sessions of focussed work. See below for a printable, cut out and keep, timetable of sessions between now and the summer exams and help us to help your child!

Paulet High School & 6th Form College has joined the My School Fund initiative to help boost our budget.

We're pleased to announce that Paulet High School is part the My School Fund initiative. This innovative scheme allows for us to be able to boost our school's budget with your help.

How does it work?

Parents, guardians and carers can sign up to the scheme for free and start earning cashback on the things they buy in participating retail stores, including Sainsbury's and Argos. As you spend, you'll receive 2% cashback in the form of eGift vouchers that can be redeemed in participating stores. By linking your spend to our school on the My School Fund website we'll also earn 1% cashback on your spend.

Add that all up across our school's network of families and together we can all make a big difference!

How to get involved

Visit myschoolfund.org to register for free and link to Paulet High School & 6th Form College. From there, everything you spend in participating stores will go towards helping boost our budget, plus your own! Sign up today at myschoolfund.org

Visiting artist – Year 10, 12 and selected exam students took part in an exciting all-day workshop with artist Ian Murphy on Thursday 13th March. Students were shown examples of the artist's work and given the opportunity to create their own pieces in the style of the artist. Feedback from the students has highlighted how enjoyable this experience was for them, and they all finished the day with two pieces of high-quality, artist approved, outcomes!

A big thanks from Mrs Weeks and Miss Sargent to all students involved for making the day so great.

A level History trip - Our 6th Form history students attended a Tudor Symposium hosted by Pangbourne College, near Reading, this week. Including lectures by professors from the University of Oxford and the University of Reading, we were able to gain a deeper understanding of the importance of piracy to Elizabethan foreign policy and the myriad of methods used by Henry VII to establish his rule. A wonderful experience for our students to experience university style teaching for the first time!

And finally...

I've been publishing the Paulet Post for just over a year so I would like to gauge the reach it has. Please click on the link below to answer two quick questions – it will take one minute I promise.
