This week at Paulet

Half term saw me lead a great trip to the US with some of our amazing 6th Form students. We had a great (if very very cold) time and experienced

Washington, Philadelphia and New York in all their splendour. The next trip, in 2027, will be open to our current Year 10 and 11 students... that's how time flies!

MP Visit – The Burton MP, Mr Collier, visited us today to talk to some of our 6th Form students about life as a new MP and how MPs deal with sensitive issues in Parliament like the recent Assisted Dying Bill. The students got a lot from the visit and, at the end of the visit, he left complimenting the school and our students. He also told me that Mr Goodall's classroom was 'the best classroom he had ever seen'... high praise indeed.

The Library and Refectory are both now open and they are proving to be very popular spaces. It is lovely to see so many students, studying, reading and playing board games at lunchtime on the new and extended library space.

We are still having a few teething problems with Bromcom namely incorrectly issued negative points for home learning. If your child has had a negative point for home learning and shouldn't have, please drop their tutor a quick email to get it sorted. Any feedback / issues at all, please email office@phs.jtmat.co.uk marked for the attention of Mr Ashraf.

Have a great weekend,

Ian McArthur
Headteacher.
