News and messages from Mr McArthur

Happy Friday everyone!

Mission Possible Success - I would like to congratulate our Year 11 pupils Paige, Lucy and Shania, who have successfully completed all 50 tasks set as part of the Mission Possible programme.

During Spring Term 1, pupils have been working hard to improve their skills in Maths, English and Science by engaging with a series of focused learning "missions". Along the way, students have also been working hard to reach reward milestones, earning incentives such as study packs, prom drinks vouchers and snack vouchers for the canteen. Completing all 50 challenges is a fantastic achievement and demonstrates real commitment, perseverance and a positive attitude to learning.

To celebrate their hard work, the girls enjoyed a pizza lunch and an early finish on Friday afternoon. In recognition of their outstanding effort, they have also been awarded a Headteacher's Commendation.

Mrs Rayne and I are extremely proud of their dedication and determination.

Well done to Year 10 boys' football team who beat Thomas Alleyne's this week to reach the final of the District Cup... details to follow.

As part of British Science Week, our Medical Science and Psychology students had the incredible opportunity to observe a brain dissection, exploring the structure of the brain up close. During the session, students examined key regions of the brain and discussed the role each part plays in everything from movement and memory

to emotions and decision-making. They also explored how damage to specific brain areas can affect behaviour, cognition, and physical function. A fascinating, hands-on insight into one of the most complex organs in the human body! 🧠 ✨

The last day of term is Friday 27th March and we will close early to students at 12.20pm. If your child is in receipt of free school meals, he/she can prebook a 'pack up' in the canteen on Thursday. School reopens at 8.27am on Monday 13th April for the start of the Summer Term.

There will be no Paulet Post next week as the Editor (me) and the Publisher (Mrs Peach) are both accompanying the Year 8 trip to Paris. Look out for trip updates via our social media platforms. The final Paulet Post of the term will be sent out on the last day of term – Friday 27th March.

Have a great weekend everyone,

Ian McArthur - Headteacher

'Think' of the week:

Does believing in God mean rejecting science, or can both exist together?
