### News and messages from Mr McArthur

Happy Friday everyone!

This Wednesday all of our Year 7 students got to take part in the race to the line rocket car challenge. Each Tutor Group was split into 5 teams and given a foam block to shape as they wished to create the fastest rocket car possible. Launches took place during the afternoon and the overall winners were the following:

1st Place

7LIB (Gingerbread) and 7HIW (Ballers) - 38mph

2nd Place

7SDA (Hello Kitty) - 37mph

3rd Place

7WME (Tye Dye and Flowers) - 36mph

Winners of the posters were:

Lightning McQueen

Lec 16

Midnight Sun 3000

Rocket Racer

I Managed a sneak peek during the day and I could see the students were having a wonderful time. 38mph is an amazing speed to reach – automotive Engineers in the making. Thank you to Mrs Butler for organising and the Engineering Partner who worked with us for the day.

**New car park** – as many of you will have seen, our new car park is now open and in use. With the spaces on the Stanton Road Drive we now have 31 spaces more than the start of this academic year. Our expansion (Phase 1) is now complete with our beautiful new Refectory and extended library, both complemented by the additional car parking spaces. Please do not use the drive as a cut through...if you see the vehicle gate open at the top of the Stanton Road Drive, you will find the barrier closed at the bottom of the drive.

I have added all relevant key dates to this weeks Post, see below; please make a note of dates that affect you!

Have a great weekend everyone,

Ian McArthur - Headteacher
